MEMORANDUM FOR THE FILE

FROM:

25X1A9A

SUBJECT: Implementation of a Program to Perform Modifications Work
Orders 10, 19, and 20 on the URT-11 and RT-1B Transmitters

With regards to a conversation between Mr. MSB, and
Mr. on 12 August 1957, it is understood that
the following items concerning the modifications have been or will be
accomplished:

25X1A9A
25X1A9A

A. The Materiel Support Branch has assumed the responsibility
for modifying all the URT-11 and RT-1B transmitters in stock.
This will be done on a piecemeal or time available basis.

B. The Materiel Support Branch is in the process of arranging
to ship the necessary parts for the modifications

25X1

C. The Materiel Support Branch will attend to the necessary
correspondence with the Office of Logistics for making the trans-
mitters available for modification.
